

German Solar

Follow European Standards

15 Years Quality | 30 Years Power Warranty

A Grade Topcon- Bifacial GS6 585-705Watt

- Double Glass
- Silver Frame
- Bifacial
- N-Type Technology

Specially Design For Pakistan 

- **PID Resistance**
 - Power Positive Tolerance
- **R&D Production**
 - Bifacially > 80%
 - Leading Solar Cells
 - High Producing Bus Bar with German Technology
- **High Efficiency**
 - N-Type , Component have better reliability
 - lower LID/LETID attenuation
 - Efficiency can reach 23.83%
 - High Power Output under Haze and overcast
- **With Stand Strong**
 - Snow Load 5400Pa
 - Wind Load 2400Pa
